## Help needed at the club!

### July 11th Paint Party!

Join us July 11th at the Club house for a paint party!

Please come and help us cover up the graffiti. Bring your best paint clothes, and any paint gear you have. Peter Harland is in charge.

PS: Peter is also getting some new flags - he's really cleaning up our image.

## Making Room in the Boathouse

Regee's tub is up for grabs! Please contact Ali or Peter if you're interested! [acbronwyn@gmail.com](mailto:acbronwyn@gmail.com)

## June Wrap Up

Great start to the season!

### June 16 - Party in the Park was a huge success

250 people were out and about and Peter Harland showed many youngsters how to use the ergs.

### June 20 - Four new Umpire Launches arrived at WSL for motor installation

With thanks to our amazing volunteer crew for manually getting the boats out of the trailer (did we hear Scott Lockhart belly crawled into the trailer to help?)

**June 24 - Janine Stephens provided an epic coaching session for advanced and beginner rowers!**

13 masters in the morning experienced session including 6 from Pinawa and 7 beginners in the afternoon session. It was a great turn out and the weather was perfect for the first group, but a little windy for the novice group - Janine made the most of it and got in the boat to coach from the bow.
