

# **Kenora Rowing Club**

## **COVID-19 Code of Conduct - 2021 Season**

### **Goal and Guiding Principles**

This code of conduct is to educate all members of the procedures in place to ensure that we may safely be at the club and to confirm that all members will take shared responsibility towards meeting the requirements related to COVID-19.

1. The requirements in this document are minimum requirements and everyone visiting the Club must act responsibly and in accordance with them. Due to the unique nature of this pandemic, all who visit the Club must recognize that collectively we are doing our best and cannot be held liable should anyone fall sick of COVID-19 or a related illness, after coming to the Club.
2. Should a member observe that another person at the Club is not respecting a requirement of this guideline, it is acceptable to politely and respectfully ask that person to conform to our requirements. Should the issue not be resolved we ask the member to communicate with any Director who all have full authority to enforce this directive.
3. COVID-19 circumstances and restrictions continue to change and the Club's policies will change as necessary to reflect this. All members are asked to be flexible and polite and to compromise when necessary.
4. The latest COVID-19 protocols for the Kenora Rowing Club will always be posted at the Club and will be available online at [kenorarowingclub.ca/krc-covid-19/](https://kenorarowingclub.ca/krc-covid-19/)

### **Coming to the Club**

1. Everyone who comes to the Club must first read this document and be ready and equipped to fully abide by its provisions.
2. **Do not, under any circumstances, come to the Club if you have any symptoms of COVID-19 or if you are living with a person who has such symptoms. If you are under a government mandated self-isolation period, you are required to complete it before coming to the Club.** Please refer to the provincial guide for any guidance <https://covid-19.ontario.ca/self-assessment/>
3. If you are considered in a vulnerable group or have a condition whereby you are **immunosuppressed** or have a **chronic illness**, you should consult your physician or public health resources to help you decide if you should come to the Club.

### **Being at the Club**

1. All government or club mandated physical distancing, masking, and sanitation measures must be fully complied with when you come to the Club.
2. The Club will make its best efforts to provide hand washing stations and/or hand sanitizer. However, members are kindly requested to also come prepared with their own cleaning supplies and hand sanitizer and use it liberally.
3. The Club may post specific updated directives on notice boards at the Club and on the grounds. Please look out for, read, and respect them.
4. When at the club you are required to plan to arrive, clean, row, clean and go. This is not a time when you can socialize or spend any additional time at the club.

### **Access to Club Buildings and Bathrooms**

1. Rowers have access to the boat bays only.
2. The club room and kitchen remain closed until further notice.
3. Access to washrooms and first aid supplies are available for emergencies.

### **Commitment**

All members shall comply with these directives with respect and politeness to others. The Club reserves the right to reprimand anyone for not following these directives, insist that they be followed and, at the sole discretion of any Director, ask the individual(s) to leave the property. Failure to comply may result in temporary revocation of access rights to the boathouse.
